

HAMILTON COUNTY BOARD OF COMMISSIONERS  
MAY 20, 2008

The Hamilton County Board of Commissioners met at 8:00 a.m. on Tuesday, May 20, 2008 at the Hamilton County Highway Department, 1700 South 10<sup>th</sup> Street, Noblesville, Indiana. President Altman called the meeting to order with a quorum present of Commissioner Christine Altman, Commissioner Steven C. Dillinger and Commissioner Steven A. Holt.

**US 31 Project**

The Commissioners met with representatives of INDOT, (Indiana Department of Transportation), RW Armstrong and the Hamilton County Highway Department for discussion of INDOT’s proposed plan for the Rangeline Road to 151<sup>st</sup> Street section of the US 31 project. Mr. Steve Fleming summarized the discussion as follows, using Alternate 2 as the base:

- Add southbound access road between Greyhound Pass and 146<sup>th</sup> Street
- Slip Ramp to Rangeline Road; checking with FHWA first to see if it is possible to have a northbound exit and a southbound entrance to Rangeline Road.

Holt asked if the new design will not allow northbound traffic to go east on 146<sup>th</sup> Street off of US 31? Fleming stated it would be allowed. Altman asked if there is no exit off of US 31 at 151<sup>st</sup> Street? Fleming stated correct. The Commissioners would like to have full access at 151<sup>st</sup> Street. Fleming asked which is the higher priority; the Greyhound Pass Bridge or trying to get northbound access to 151<sup>st</sup> Street? The Commissioners will let RW Armstrong know their priority. Mr. Dave Henkel stated they will do the traffic modeling for options including checking the on/off ramps on Rangeline Road. RW Armstrong will try to schedule a meeting with Carmel, Westfield and the County to show the modeling by June 20, 2008. RW Armstrong will want recommendations from each entity with a ranking and the reasons why. The design team will make the recommendations and send them to the executive office, which will make the final decisions.
